

SELLARS® PRODUCT OPPORTUNITIES BY INDUSTRY

SELLARS®

SELLARS®

Sellars manufactures wiping products for every mess, spill and drip to keep surfaces clean and spaces safe within industries from manufacturing, automotive, healthcare, foodservice, universities and more.

Get Matched with the Perfect Products:

1. **Choose your industry:** Look to the right and select the industry you're working in.
2. **Explore common spaces:** Each industry section highlights key areas within a facility.
3. **Find the right products:** Recommended wiping and absorbent products are listed for each space.
4. **Product key explained:** The key below decodes the product categories for quick reference.
