

WATERWEAVE® SERIES WIPERS

OUR TOUGHEST, SOLVENT-RESISTANT WIPER

SUPERIOR STRENGTH USING WOVEN FIBERS FOR THE TOUGHEST JOBS

From general purpose to industrial cleaning, choose low-linting, high performance wipers for all applications.

Not all wipers are cut from the same cloth—the strongest are woven. TOOLBOX® WaterWeave® wipers offer superior performance and are available in a variety of strengths for light cleaning tasks, heavy-duty scrubbing and everything in between. Durable on uneven, rough and rusted surfaces, WaterWeave is low-linting, latex free and can even be used when cleaning with solvents. WaterWeave disposable wipers are contaminant-free and a safer alternative to laundered rental rags, which can contain residual oils, chemicals and metal shavings. Choose our strongest wiper for your toughest jobs with WaterWeave.

MAINTENANCE & REPAIR JOBS

SOLVENT RESISTANT

SURFACE PREP

EQUIPMENT CLEANING

- TOOLBOX® WaterWeave® wipers are made using high-pressure water jets to weave fibers together for added strength, durability and extended usage.
- Low linting and latex free ensures no particles are left behind when cleaning critical equipment or machinery.
- For cleaning up grease, oil, dirt, grime and cleaning with solvents on rough, rusted and uneven surfaces.
- NEW expanded line meets all needs from general purpose to heavy-duty industrial.

T500 Ideal for light-duty, general-purpose wiping applications like cleaning smooth counter tops or removing dust.

T500 WaterWeave® Interfold Wipers
Product #57200
Sheet Size: 8.27" x 12.6"
Package Quantity: 176 Sheets
Quantity Per Case: 10 Boxes/1,760 Sheets

T600 Designed for medium duty wiping tasks like cleaning, polishing and wiping down large machinery.

T600 WaterWeave® Interfold Wipers
Product #68200
Sheet Size: 8.27" x 16.5"
Package Quantity: 126 Sheets
Quantity Per Case: 10 Boxes/1,260 Sheets

T600 WaterWeave® Jumbo Roll Wipers
Product #68300
